

# Shame

Chris Caffery

Ghosts roam the ruins  
In the dead  
Blackened blindness

Wheels turn in circles  
Help me now holy mother  
In the backyard of the church  
They worship nightly  
Crucify the angels  
Of our salvation

Forever and ever  
You may run and hide  
The mirror's a strange  
Wrapping mouths with  
The danger tonight

Oh feel the shame  
(Feel the shame)  
I'm not ashamed  
(Feel the shame)

Mother terror bless  
This five legged suckling  
Out of the valley rides his  
Surprises help me  
Deep in the forest  
Can you hear the trees fall?  
As they the angels  
Sever all relations

Forever and ever  
You may run and hide  
The mirror's a strange  
Wrapping mouths with  
The danger tonight

Oh feel the shame  
(Feel the shame)  
I'm not ashamed  
(Feel the shame)

Shame on you!

Forever and ever  
You may run and hide  
The mirror's a strange  
Wrapping mouths with  
The danger tonight  
(Tonight)

Oh feel the shame  
(Feel the shame)  
I'm not ashamed

I'm not ashamed

Oh  
Yeah  
Feel the shame  
Yeah  
Shame on you  
(Feel the shame)
