

# Chicks Dig It

Chris Cagle

"Hey y'all,  
Watch this!"

Daddy's belt  
Mama's drapes  
Standing tall on the backyard shed  
Lookin' cool in my Superman cape

I told the neighborhood girls,  
said "Hey y'all, watch this!"  
My fate was a broken arm  
My reward, one big kiss

When Daddy asked me why I did it  
I made him laugh out loud  
When I told him 'cause the chicks dig it

Scars heal  
Glory fades  
And all we're left with all the memories made  
Oh yeah, pain hurts  
But only for a minute  
Life is short so go on and live it  
'Cause the chicks dig it!

Blacktop road  
Learner permit  
Though I was Earnhardt  
Drivin' fast  
But I didn't see the ditch  
Took out a mailbox  
Then a fence, then a barn  
The police came and called my father  
But I met the farmers daughter  
And when the judge asked me why I did it  
He threw the book at me  
When I told him 'cause the chicks dig it!

Scars heal  
Glory fades  
And all we're left with all the memories made  
Oh yeah, pain hurts  
But only for a minute  
Life is short so go on and live it  
'Cause the chicks dig it!

Just throw caution to the wind my friend  
Then sit back and watch your life begin!

'Cause scars heal  
Glory fades  
And all we're left with all the memories made  
Yeah, pain hurts  
But only for a minute  
Yeah, life is short so go on and live it  
'Cause the chicks dig it!

Scars heal  
Glory fades  
And all we're left with all the memories made  
Pain hurts  
But only for a minute  
Yeah life is short so go on and live it  
It don't matter if you lose or if you win it,  
Hey, the chicks dig it!

Oh yeah  
The chicks dig it  
The chicks dig it  
Oh hey, oh yeah  
The chicks dig it!

"I got this scar when I was three years old showin' off for the girl next door on my tricycle. And the one over my eye, well i got that back in '82 jump in' off the train trestle bridge. But I got the girl...uh The chicks dig it.
