

It's Good to Be Back

Chris Cagle

Guess who's back in town
Stompin' around in my old stompin' ground
Too much time away, I'm back to stay
But I ain't settlin' down
Tonight we'll burn it down
Let's tear the roof off of this place
Tell everyone you know
They'll see a lot more of my face

It's good to be here
Long time no see dear
But I had to give it a go
Took the show on the road
Doin' it everybody's way but my own
Good to be home
Been gone away to long
Stickin' to my guns, makin' a good run
Takin' the right track
Hey y'all, it's good to be back

Welcome everyone
I've just begun the second half of the show
The nitty-gritty of the city wasn't pretty
But it taught me some things I didn't know
I swear that I'm not through
To much to do before the end
And the best place to get started
Is right here with all of my friends

I'm stone-cold on a roll
No one gonna tell me no
Anybody wanna go
Just grab a hold and say yeah, yeah, yeah
Yeah, yeah, yeah, yeah

Stickin' to my guns, makin' a good run
Takin' the right track
Hey y'all, it's good to be back
Oh y'all it's good to be back
Guess who's back in town
Stompin' around
