

# Laredo

Chris Cagle

You've always been a friend of mine  
And that's the way we'll be, 'til the day I die  
Yeah, it's good to know you're on my side

'Cause now you know she's leavin' me  
And I need your help to make her see  
So turn on your charm and let it shine

'Cause you've always been the one who could make her stay around  
So when she gets to the city limits sign  
Don't let me down

Oh-whoa Laredo  
Don't let her go  
Just take her by the heart  
And let the wheels turn slow  
Whoa-oh Laredo  
You're my only hope  
So get her back to the day we met  
'Cause that's as far as she needs to get  
Oh, but please don't let her go  
Oh Laredo

Make her think 'bout the moonlit walks  
And the long long talks by the waters edge  
With her feet hangin' off the Canyon Creek Bridge

And bring to mind the first kiss we shared  
At the Old Town Square when she drives down there  
'Cause that's the day she said she could never forget

And keep the nights by the candlelight  
As an ace in the hole  
'Cause those are nights of passion  
That I know will bring her home

Oh-whoa Laredo  
Don't let her go  
Just take her by the heart  
And let the wheels turn slow  
Whoa-oh Laredo,  
You're my only hope  
So get her back to the day we met  
'Cause that's as far as she needs to get  
Oh, but please don't let her go  
Oh Laredo!

Whoa-oh Laredo  
Don't let her go  
Take her by the heart  
And let the wheels turn slow  
Whoa-oh Laredo  
You're my only hope  
So get her back to the day we met  
'Cause that's as far as she needs to get  
Oh, but please don't let her go  
Oh Laredo!

Don't let her go!  
You're my only hope!  
Whoa Laredo, oh
