Trust In Me

Chris Connor

Come to me without more speculation Have no fear, give me your hand, my dear

Trust in me in all you do Have the faith I have in you Love will see us through If only you trust in me

Come to me when things go wrong Cling to me and I'll be strong We can get along As long as you trust in me

While there's a moon on high While there's a bird to fly While there's a you and I You can be sure I love you

Stand beside me all the while Face the future with a smile Trust in me and I'll be worthy of you
