

# Ground Zero

Chris Cornell

The speaker on?  
Yeah, you like that?

When it all falls down  
And the law don't count  
And it don't seem fair  
And the people don't care

Where in the world you gonna go?  
Who in the world you gonna hold?  
When all the world keeps holding on at ground zero  
We'll leave it all with God

When it all falls down  
And we almost drown  
When the sin sinks in?  
I guess it's every man for himself

Where in the world you gonna go?  
Who in the world you gonna hold?  
When all the world keeps holding on at ground zero  
We'll leave it all with God?

When the war it rages over the ages  
You can't erase it once you spill the  
Blood on the concrete river of deceit  
Will you be around?

When it all falls down  
And the law don't count  
And it don't seem fair  
And the people don't care

Where in the world you gonna go?  
Who in the world you gonna hold  
When all of the world keeps holding on at ground zero?  
We'll leave it all with
