Part Of Me

Chris Cornell

Little girl I love when she talks to me Got the smile and she walk that walk with me I want the girl but I want a lot Might cross my mind but that's where it stops

R:

That bitch ain't a part of me, no that bitch ain't a part of me I said no that bitch ain't a part of me, no that bitch ain't a part of me I said no that bitch ain't a part of me, no that bitch ain't a part of me I said no that bitch ain't a part of me, no that bitch ain't a part of part of part of oww

I love the girl, I'm loving the dress she wears She's got a hold, got a hold of my neck oh yeah I wanna cry; the way that she moves I want the girl but not what she's going through

R:

She was so friendly I had one too many And now that they tell me She was rubbing up against me But I swear it never meant a thing She was just a fling There's no other woman who does it like you
