

Preaching The End Of The World

Chris Cornell

1. Hello, I know theres someone out there who can understand
And whos feeling the same way as me
I'm twenty-four and I've got everything to live for
But I know now that it wasn't meant to be

2. Cause all has been lost and all has been won
And theres nothing left for us to save
But now I know that I don't want to be alone today
So if you find that you've been feeling just the same

R: Call me now it's alright
It's just the end of the world
You need a friend in the world
cause you cant hide
So call and I'll get right back
If your intentions are pure
I'm seeking a friend for the end of the world

3. I've got a photograph, I'll send it off today
And you will see that I am perfectly sane
Not for a lifetime or forever and a day
cause we know now that just wont be the case

R: Call me now it's alright...

*: There will be no commitment and no confessions
And no little secrets to keep
No little children or houses with roses
Just the end of the world and me

4. Cause all has been gone and all has been done
And theres nothing left for us to say
But we could be together as they blow it all away
And we can share in every moment as it breaks

R: Call me now it's alright... (2x)
