

When I'm Down

Chris Cornell

What say you now?
The door is, opening,
on your vigil,
and I'm in my usual way.
I'll save my breath, knowing,
what you're wanting me to say,
"I only love you, when I'm down"

You say that midnight,
opens it's song for me,
leaving you alone,
and then I fly so far away,
until the light blurs my vision,
and I have nowhere to roam,
I only love you when I'm down...

And I only love you when I'm down.
And I'm only near you when I'm gone.
But one thing for you to keep in mind, you know,
that I'm down, all the time,
all the time...

I know you're reaching out,
and you need to feel my hand,
you wanna be loved,
yeah, well I understand.
I know you hold,
precious little hope for me,
and in your happiness,
I'm always drowning in my grief.

And I only love you when I'm down.
And I'm only near you when I'm gone.
But one thing for you to keep in mind, you know,
that I'm down, all the time,
all the time...
