

# A Woman's Heart

Chris de Burgh

A woman's heart is filled with passion,  
A woman's heart is filled with lust,  
If you don't believe that these things happen,  
Could be the biggest mistake that a man can make;

A woman's night is filled with dreaming,  
Of the perfect man who may not be you,  
If we don't see what she's been missing,  
Could be the biggest mistake that a man can make,

She wants to get near to you,  
Don't turn her away,  
She wants to get through to you,  
She wants to say;

Give me your night,  
And I will show you my passion,  
Give me your lust,  
And I will drink you dry,  
Give me your dreams,  
And I will show you a lover,  
Give me your heart,  
and I will hold you close,  
And I will love you till the day I die.

A woman's day is filled with longing,  
For a little romance and company,  
If we don't look or just don't listen,  
Could be the biggest mistake that a man can make;

A woman's heart is yours forever,  
She will be true, to the one in her life,  
If we don't give her love and affection,  
Could be the biggest mistake, that a man can make.

She wants to get near to you,  
Don't turn her away,  
She want's to get through to you,  
She want's you to say;

Give me your night,  
And I will show you my passion,  
Give me your lust,  
And I will drink you dry....

Give me your dreams,  
And I will show you a lover,  
Give me your heart,  
and I will hold you close,  
And I will love you till the day I die.

She wants to get near to you,  
Don't turn her away,  
She want's to get through to you,  
She want's you to say,

Give me your night

And I will show you my passion,  
Give me your lust,  
And I will drink you dry....

Give me your dreams,  
And I will show you a lover,  
Give me your heart,  
and I will hold you close,  
And I will love you till the day I die.
