

Light a fire

Chris de Burgh

1. Watch and wait, get ready for the sign
There are many here among us now who have not seen the light
We must send the word to all the people in the land
Go to every hill and mountain,
For the time is now at hand
To light a fire!
Light a fire!
Light a fire!

 2. Let us march the road up the rocky hill tonight
Under cover of the darkness we will slip behind the lines
And we will take the men who have stolen our land
For the years of domination
Hit them right between the eyes
And light a fire!
Light a fire
Light a fire
- They will see through the world!
