

# When I Think Of You

Chris de Burgh

There is something on my mind,  
And I'm losing concentration  
And I feel it everytime,  
That you are near me.  
I could tell you all about,  
Your picture at my bedside,  
I should call you sometime,  
And talk it over.

'cos I get a kick inside,  
And I feel a tingle too,  
It just comes from time to time,  
And it only happens,

When I think of you,  
Sleeping,  
When I'm dreaming, when I wake up, when I think of you,  
Walking,  
When I'm talking,  
When I look up,  
When I think of you,

Take me away to a land of mass confusion,  
And I don't know what to say,  
When I am near you,  
I could stand here all day long,  
Just staring at your window,  
But I have so much to do,  
That's so important,  
Then I get a kick inside, and I feel a tingle too,  
It just comes from time to time,  
And it only happens,  
When I think of you,

Sleeping,  
When I'm dreaming, when I wake up,  
When I think of you,  
Walking,  
When I'm talking, when I look up,  
When I think of you

May get the feeling that I'm dancing on the ceiling,  
When I get a kick inside, and my head is spinning too,  
It just comes from time to time,  
And it only happens

When I think of you,  
Sleeping,  
When I'm dreaming, when I wake up,  
When I think of you,  
When I whisper to your picture, when I kiss it, when I think of you

When I think of you, when I'm dreaming we're together, on my sofa,  
When I think of you, when I'm wishing that we're kissing, when we're dancing  
,

When I think of you.
