While You See A Chance

Chris de Burgh

Stand up in a clear blue morning Until you see, what can be Alone in a cold day dawning Are you still free, can you be

When some cold tomorrow finds you When some sad old dream reminds you How the endless road unwinds you

While you see a chance, take it Find romance, fake it Because it's all on you

Don't you know by now No one gives you anything And don't you wonder how you keep on moving One more day, your way Go your way

When there's no one left to leave you Even you don't quite believe you That's when nothing can deceive you

While you see a chance, take it Find romance, fake it Because it's all on you

Stand up in a clear blue morning Until you see, what can be Alone in a cold day dawning Are you still free, can you be

And that old gray wind is blowing And there's nothing left worth knowing And it's time you should be going

While you see a chance, take it Find romance, fake it Because it's all on you

While you see a chance, take it Find romance While you see a chance, take it Because it's all on you!
