

Between The Bars

Chris Garneau

drink up baby
stay up all night
the things you could do
you wont but you might
the potential you'll be
that you'll never see
the promises you'll only make
drink up with me now
and forget all about
the pressure of days
and do what i say
and i'll make you okay
and drive them away
the images stuck in your head
the people you've been before
that you don't want 'round anymore
or that push and shove
and wont bend to your will
ill keep them still

drink up baby
look at the stars
i'll kiss you again
between the bars
where i'm seeing you there
with ur hands in the air
you're waiting to finally be caught
drink up one more time
and i'll make you mine
i'll keep you apart
deep in my heart
separate than the rest
where i like you the best
and keep the things you forgot
the people you've been before
that you don't want 'round anymore
or that push and shove
and wont bend to your will
ill keep them still
the people you've been before
that you don't want 'round anymore
or that push and shove
and wont bend to your will
ill keep them still
