

# The Leaving Song

Chris Garneau

I, I know you like it.  
I, I know you do.  
I have made a ruckus.  
And I made it for you.  
You, you, you, you, you.  
You, you, you, you, you.  
You are all I know.

You are all I know.  
Go, go, go, go.  
Go, just go.  
Sing, sing, sing  
Of leaving songs,  
Like you're leaving.  
Goodbye.  
Goodbye.
