

# American Boy

Chris Isaak

I'm the original American boy  
Love you baby, with all my heart  
Ten times better than those movie stars  
What you see, is what you are  
I'm no James Dean baby,  
But you know I care  
If you ever need me, I'll be there, always there

Don't you know I love you more each day  
Don't you know I will always feel this way  
You can count on me I'm here to stay

I'll go crazy if I stay inside  
Come on baby, take a ride  
Take you places that we've never been  
Don't be shy, hop on in  
I ain't no Hollywood baby  
You can't find a friend, they all say they love you  
But just pretend, mine never ends

I'm the original American boy  
Can't you see, you're made for me  
Tell me baby that you want me too, I'd do anything for you  
I get a crazy feeling, when I look at you  
Don't ask me if I want you, you know I do  
Only you  
I'm the original American boy, yeah I'm the original American boy
