

# Big Wide Wonderful World

Chris Isaak

Look at the sky  
Sky just got bluer  
Look at those eyes  
They're calling me to her

It's a big wide wonderful world  
Wonderful world  
I've just been given  
Ohhhhhohhhhohhhhhh  
It is a big wide wonderful world  
Wonderful world  
Yeah that we live in  
Ohhhhhohhhhohhhhhhhh  
And I know  
Yeah baby I know  
We gonna keep on swingin'

Look at the sky  
Things just got better  
Everythings changed  
Now that I met her

It's a big wide wonderful world  
Wonderful world  
I've just been given  
Ohhhohhhhohhhhhhohhhh  
It's a big wide wonderful world  
Wonderful world  
Yeah that we live in  
Ohhhohhhhohhhhohhhh  
And I know  
Yeah baby I know  
We're gonna keep on swingin'  
Swingin now

And I know  
Yeah baby I know  
Gonna keep on swingin'  
Swingin' now  
Look at that sky  
Gonna keep on swingin  
Look at that sky iiiiii  
Keep on singing

Oh cause I know  
Yeah baby I know  
It's a big wide wonderful world
