Just another day without you.

I'll be okay without you.

I'll be fine.

I'll be alright.

I'll find some one new without you. Somebody just like you but not you. I'll be alright. Say I'll be alright.

But

I'm breaking apart inside.
I'm breaking apart inside.
I cry in my sleep at night.
I'm breaking apart without you.

I hardly ever think about you.
I said I'd call but I don't need to.
I'll be fine.

I've got so much to do without you. I said that I'd be lost without you. I'll be fine.
Just give me time.

Cause

I'm breaking apart inside.
I'm breaking apart inside.
I cry in my sleep at night.
I'm breaking apart without you.

And I'm hoping, you're doing fine too

I don't wanna sleep without you.

Dreams don't mean a thing without you.

I feel so alone without you.

Baby come back I need you.

I'm breaking apart inside.
I'm breaking apart inside.
I cry in my sleep at night.
I'm breaking apart without you.

And I'm wondering, if you're doing fine too.
