

## Cheater's Town

Chris Isaak

I'm riding around this cheater's town  
Every place I go just bringing me down  
I don't know when, I don't know if  
I'm ever coming home

I got a broken heart, torn all in two  
Cause every place I look, I picture him and you  
And I don't know when, I don't know if  
I'm ever coming home

Yeah baby you lied to me, you lied to me  
You stood there you smiled you opened your heart and you lied  
And I don't know when, I don't know if  
I'm ever coming home  
Ever coming home

I'm driving slow, don't know where I'm going  
I thought you loved me too, but I was always alone  
I don't know when, I don't know if  
I'm ever coming home  
I don't know

I got a broken heart, torn all in two  
Cause everything I had, I gave it all to you  
And I don't know when, I don't know if  
I'm ever coming home  
Coming home  
Coming home

Oh baby you lied to me, you lied to me  
You opened up your little black heart and you smiled and you lied  
And I don't know when, I don't know if  
I'm ever coming home  
Oh, I don't know when, I don't know if  
I'm ever coming home  
Oh, I don't know when, I don't know if  
I'm ever coming home  
Coming home
