

# Don't Break My Heart

Chris Isaak

Someday my heart is bound to break  
Loving you has been my big mistake  
I knew it all, I couldn't wait  
Now how much more there must I take

Don't break my heart, don't break my heart, don't make me go  
(Don't make me go)  
Little darling I'll always love you so  
(Don't make me go)  
Don't leave me all alone I'd be so blue  
(Don't make me go)  
Little darling don't you know there's only you

Oh, let's start our love affair anew  
Forget those troubles we've been through  
You know I'm crazy over you  
There's only one thing you can do

Don't break my heart, don't break my heart, don't make me go  
(Don't make me go)  
Little darling I'll always love you so  
(Don't make me go)  
Don't leave me all alone I'd be so blue  
(Don't make me go)  
Little darling don't you know there's only you  
Oh, little darling don't you know there's only you  
(Don't make me go)  
Oh, little darling don't you know there's only you
