I Believe

Chris Isaak

I believe the stars keep shining all throught the night. I believe if we just keep trying it will be alright. I believe that someday we're gonna find our way. And I believe in a beautiful day.

I believe in lovers walking side by side. I believe that someday we'll be satisfied. I believe the angels listen god hears us pray. And I believe in a beautiful day. Yeah I believe it's gonna work out ok.

But not for me, and not for you.

I believe, I believe, I believe. I believe, I believe, I believe.

I believe there's an answer waiting when the day is done. I believe if you just keep searching you'll find someone. I believe that you and I just lost our way. And I believe in a beautiful day. I still believe in a beautiful day.

But not for me, and not for you. I know your tried, and I tried to. Sometime all our dreams just don't come true.

I believe, I believe, I believe. I believe, I believe, I believe. Oh...Oh...Beautiful day
