```
I believe the stars keep shining all throught the night.
I believe if we just keep trying it will be alright.
I believe that someday we're gonna find our way.
And I believe in a beautiful day.
I believe in lovers walking side by side.
I believe that someday we'll be satisfied.
I believe the angels listen god hears us pray.
And I believe in a beautiful day.
Yeah I believe it's gonna work out ok.
But not for me, and not for you.
I believe, I believe, I believe.
I believe, I believe, I believe.
I believe there's an answer waiting when the day is done.
I believe if you just keep searching you'll find someone.
I believe that you and I just lost our way.
And I believe in a beautiful day.
I still believe in a beautiful day.
But not for me, and not for you.
I know your tried, and I tried to.
Sometime all our dreams just don't come true.
I believe, I believe, I believe.
I believe, I believe, I believe.
```

Oh...Oh...Beautiful day
