

# Live It Up

Chris Isaak

Well you can live it up  
Love it up but I won't ever give you up  
And if you ever leave me  
Baby I won't care if you go  
Oh no oh no I'm following you

And you can go downtown and run around  
And baby I can see you now  
And believe me if you ever cheat on me I won't take it  
I know now I know I know and I'll be following you

Oh maybe some day you'll change  
And I'll always feel the same as I do

You can roll your eyes  
And tell me lies and I might even sympathize  
But if you ever leave me baby I won't take it I know  
Yeah I know I'm gonna know I'll be following you  
Yeah

Oh maybe some day you'll change  
And I'll always feel the same as I do  
Well you can live it up  
Love it up but I won't ever give you up  
And if you ever leave me  
Baby I won't take it I know oh no  
If you go I'm following you
