

## Lovers Game

Chris Isaak

I call you up and tell you that I love you, I call you up and play my lovers game.

Love is just a game to me dear, Love is just a game I'd like to play.

I call you up and tell you that I love you, but really to me every girls the same.

Love is just a game to me dear, Love is just a game I'd like to play.

If I really loved you, then I'd never call you, cause' I know I'd only hurt you.

If I really loved you, then I'd never call you, cause' I know I'd only hurt you,

My love.

I call you up and tell you that I love you, I call you up and play my lovers game.

Love is just a game to me dear, Love is just a game I'd like to play.
