

# Summer Holiday

Chris Isaak

I was standing all alone  
Wondering what went wrong  
With the love that seemed so strong  
That summer holiday  
That holiday  
They were closing down the rides  
All the people had gone inside  
I stood out there and cried  
That summer holiday  
That holiday

And I wonder  
Do you ever ever ever think of me  
The way it used to be

And I wonder do you ever ever ever miss me too  
The way that I miss you  
On that summer holiday we knew  
That holiday with you

La la la la la la la la la la la

On that summer holiday  
And I wonder do you ever ever ever think of me  
The way it used to be  
And I wonder do you ever ever ever love me too  
The way that I loved you

On that summer holiday we knew  
That holiday with you

La la

On that summer holiday with you  
That holiday

Oooohoooh
