

## Yellow Bird

Chris Isaak

Yellow bird, up high in banana tree  
Yellow bird, you sit all alone like me

Did your lady friend leave the nest again?  
That is very sad, makes me feel so bad  
You can fly away, in the sky away  
You're more lucky than me

I also had a pretty girl, she's not with me today  
They're all the same, those pretty girls  
Take tenderness, then they fly away  
Yellow bird, yellow bird

Did your lady friend leave the nest again?  
That is very sad, makes me feel so bad  
You can fly away, in the sky away  
You're more lucky than me

Wish that I were a yellow bird  
I'd fly away with you but I am not a yellow bird  
So here I sit, nothing I can do  
Yellow bird, yellow bird
