

Copenhagen Junkie

Chris LeDoux

Well I've never been afraid of much and never thought I need a
crutch
To help me thru the trials of this life
But there's one thing I cant do with out and Copenhagens what I
'm talkin'
About and I love it nearly as much as I love my wife
Now when I first started chewin' I didn't know what I was doin'
But I liked the way it helped me to relax
And a big ol' chew tastes might good just the way I know Copenh
agen should
But when its gone I'm a slobbering maniac
I'm a Copenhagen junkie there's a big ol' hairy monkey on my ba
ck
And it just wont let me be
Cause when I run out of chewin' I know I'm on the road to ruin
that Copenhagen's got a hold on me

I can go without a lot of things like sweet potatoes and butter
beans
And you know if wouldn't really bother me at all
I can go without coffee for a couple of days but if you take my
s'noose away
I'll be climbing like the spider up the wall
I'm a Copenhagen junkie...

Well I even tried to quit one time my knees got weak I sorta we
nt blind
And my mellow disposition headed south
I started eating like a big fat hog got wild got mean like a ra
bid dog and
Start frothin' and foamin' at the mouth
I'm a Copenhagen junkie...

Can I help you sir ah yeah do you got any Copenhagen
No Sir I'm afraid we're all out ah
I'm a Copenhagen junkie...
Ah Copenhagen it makes me feel so good
But when its gone boys I ain't feeling exactly the way I should
