

Five Dollar Fine

Chris LeDoux

We're a fun lovin' crowd, kinda rowdy and loud,
Our jukebox won't play no sad songs,
So don't come in here and cry in your beer,
Cause we don't care about who done who wrong.

We got a five dollar fine for whinin'
We're tell you before you come in.
And if it ain't on your mind to have a good time,
Ya'll come back and see us again.

Well, we don't really care about your clothes or your hair,
This party's open to all.
Yah we like a good joke and it's alright to smoke,
We got just one rule on the wall.

We got a five dollar fine for whinin'
We're tell you before you come in.
And if it ain't on your mind to have a good time,
Ya'll come back and see us again.

Now there's too many fools makin' too many rules,
That's one thing you can't say about us.
Cause we all get along when we sing the same song
There's just one thing that causes a fuss.

We got a five dollar fine for whinin'
We're tell you before you come in.
And if it ain't on your mind to have a good time,
Ya'll come back and see us again.

We got a five dollar fine for whinin'
We're tell you before you come in.
And if it ain't on your mind to have a good time,
Ya'll come back and see us again.

We're got a five dollar fine for whinin'
