Grange Hall Dance

Chris LeDoux

Have you ever been down to a country dance And listend to the music of a hillbilly band And danced with your darlin' all through the night And don't go home til the morning light Well if you ain't you don't know what your missing Laughter and dancin' a huggin' and a kissin' Everybody there's just havin' a ball A dancin' all night at the old Grange Hall The people they come from miles around The ranchers farmers folks from town There's bald headed men and old fat women Kids in their teens and little bitty children So put on your boots and stomp on the floor And have more fun than ever before Man we're really havin' a ball A dancin' all night at the old Grange Hall

Well, the sun's comin' up and it's time to go home The band they're playin' that final song Everyone's leavin' and sayin' good night But you're lookin' forward to next Saturday night So put on your boots...
So put on your boots...
