

## Let's All Help The Cowboys (Sing The Blues)

Chris LeDoux

Cowboys they are ladies men all right they'll love 'em up and talk 'em up all night  
But they're lonely when there's nothing else to do  
And that's what makes the cowboys sing the blues  
He does a little Shakespeare and he sings he plays the mandolin and other things  
He's looking for love beauty and IQ and that's what makes the cowboy sing the blues  
Cowboys have to fall in love get hurt and all that bit  
Let their hearts hang out so they can write you all a hit  
So ladies if they ask you don't refuse let's all help the cowboys sing the blues

Cowboys they don't ever understand this thing between a woman and a man  
Until they find the one they always lose  
And that's what makes the cowboys sing the blues  
A cowboy takes his lonely pen in hand and tries to make somebody understand  
But she has ears to hear a different tune  
And that's what makes the cowboy sing the blues  
Cowboys have to fall in love...  
Let's all help the cowboys sing the blues
