

# Look At You Girl

Chris LeDoux

Just look at you, girl  
Standin' here beside me  
Starlight on your hair  
Lookin' like a dream I dreamed somewhere  
And look at me, girl  
You got me actin' just like a lover  
In an old time picture show  
And how I got the part - I just don't know  
But it's written all across your face  
Plain as it can be  
You're the one that I was lookin' for  
Now you're all that I can see

You mean everything to me  
And I'd do anything to have you stay forever  
I'm an ordinary man  
But I feel like I could do anything in the world  
When I look at you, girl

Just look at you, girl  
Walkin' here beside me  
Misty morning light  
I see my own reflection in your eyes  
And just smile at me, girl  
With eyes that tell a story  
That words can never say tellin' me your love is gonna stay  
And we're standin' right together now  
In everything we do  
And if my world should come apart  
I'll still be lovin' you

You mean everything to me  
And I'd do anything to have you stay forever  
I'm an ordinary man  
But I feel like I could do anything in the world  
When I look at you, girl
