

Take Me To The Rodeo

Chris LeDoux

Well my car broke down it's in the ditch wish I was the son of
someone rich
I'd throw hundred dollar bills out on the road and I'd catch me
a ride to the rodeo
There's a mule deer layin' by the road ahead he ain't sleepin'
he's damn sure dead
Venison fryin' in the blazin' sun hey I need a ride come on som
eone
Yeah my car broke down I ain't got no money stuck out on the ro
ad
Hey I need a ride now won't somebody take me to the rodeo

There's a buzzard circlin' up in the sky he's lookin' at me wit
h them beady eyes
Well i don't know but I've got a hunch he'd rather have me than
that deer for lunch
Right now I wish I'd stayed in school but I had to be a rodeo c
owboy fool
And I'll bet my daddy'd sure be proud if he could take a look a
t his son right now
Yeah my car broke down...

Here comes a blonde in a Cadillac she got the top rolled down a
nd her hair tied back
But she don't look she don't even slow down she just keeps them
wheels rollin' around
Yeah my car broke down...

I need a ride come on
