Well my car broke down it's in the ditch wish I was the son of someone rich

I'd throw hundred dollar bills out on the road and I'd catch me a ride to the rodeo

There's a mule deer layin' by the road ahead he ain't sleepin' he's damn sure dead

Venison fryin' in the blazin' sun hey I need a ride come on som eone

Yeah my car broke down I ain't got no money stuck out on the ro ad

Hey I need a ride now won't somebody take me to the rodeo

There's a buzzard circlin' up in the sky he's lookin' at me wit h them beady eyes

Well i don't know but I've got a hunch he'd rather have me than that deer for lunch

Right now I wish I'd stayed in school but I had to be a rodeo c owboy fool

And I'll bet my daddy'd sure be proud if he could take a look a t his son right now

Yeah my car broke down...

Here comes a blonde in a Cadillac she got the top rolled down a nd her hair tied back

But she don't look she don't even slow down she just keeps them wheels rollin' around

Yeah my car broke down...

I need a ride come on
