On A Night Like This

Chris Mann

On a night like this, I could fall in love with you In this dark so dense, we talk so soft The way young lovers do.

The day's last sigh
Turns a cool night breeze
And this love hangs thick like these willow leaves
I've hid myself away from this
But your silhouette is a Judah's kiss
The day's last sigh

Turns a cool night breeze

And this love hangs thick like these willow leaves
I've hid myself away from this
But your silhouette is a Judah's kiss

On a night like this I could fall in love with you
