

# If You Wanna Do It

Chris Murray

every day you talk and talk about your plans brewing  
but the way you walk that walk, it's just your lips moving

if you wanna do it  
you better get down to it  
time ain't stopping now

ain't no way to beat the clock, you know it's all timing  
so if you want to reach to the top, you'd better start climbing

so go and take your pick of the crop, it's time to start choosi  
ng  
cos if you stop to think too long, it gets so confusing
