

All Day, All Night

Chris Norman

I been waiting all night long
I don't know what's been going on
Tell me baby what's gone wrong
I don't know when you're coming home

I sit and I wait, oh I sit and I wait
I sit and I wait for so long

All day, all night, all day, I been waiting
I don't know what's going on
and I don't know when you're coming home
All day, all night, all day, I been hesitating
Won't you tell me what I done wrong
Tell me babe when you're coming home

Baby I been watching you
Where you go and what you do
Play on my suspicious mind
But when it comes to you my love is blind

So I sit and I wait, oh I sit and I wait
I sit and I wait all night long

All day, all night, all day, I been waiting
I don't know what's going on
I don't know when you're coming home
All day, all night, all day, been hesitating
Won't you tell me what I done wrong
Tell me babe when you're coming home

Come on baby come to me
I want to make you hap-hap-py
You know I cannot wait no more
So give what I been dying for
And I'll sit and I'll wait, I'll sit and I'll wait
I'll sit and I'll wait all day long

All day, all night, all day, I been waiting
I don't know what's going on
I don't know when you're coming home
All day, all night, all day, I been hesitating
Won't you tell me what I done wrong
Tell me babe when you're coming home
