

# Breathless

Chris Norman

You take my breath away whenever I'm with you  
You make me promises but baby they're not true  
Whispers in the night that keep me hanging on  
You walk into a room and you light up the place  
You speak the words of love we're standing face to face  
You got me on a string I'd give you anything

And as for heartaches and as for mistakes  
I've had my share but baby I don't care

You leave me breathless whenever you are near  
I feel so helpless a hopeless situation  
Oh, and everything depends on you  
There's nothing else that I can do  
You leave me breathless I try to play it cool  
But I'm so restless there's no explanation  
Oh I hear the sound of my heartbeat  
I'm breaking down each time we meet

Some people talk of you they don't know how I feel  
Sometimes I hear your name I'm in a spinning wheel  
You are a part of me you are my destiny

I wanna hold you, I wanna touch you  
Can't get enough oh I need your love

You leave me breathless whenever you are near  
I feel so helpless a hopeless situation  
Oh, and everything depends on you  
There's nothing else that I can do  
You leave me breathless I try to play it cool  
But I'm so restless there's no explanation  
Oh I hear the sound of my heartbeat  
I'm breaking down each time we meet

My love is burning like a flame  
I know I'll never be the same without you

You leave me breathless whenever you are near  
I feel so helpless a hopeless situation  
Oh, and everything depends on you  
There's nothing else that I can do  
You leave me breathless I try to play it cool  
But I'm so restless there's no explanation  
Oh I hear the sound of my heartbeat  
I'm breaking down each time we meet
