

# Got Me In The Palm Of Your Hand

Chris Norman

Where do you go to, what do you do  
You know, lately baby I'm askin' these questions of you  
And I try, you just push me away  
Oh, lately baby, I don't know what to say

Cos you got me, you got me in the palm of your hand  
Well, you got me, you got me in the palm of your hand  
Well, I don't wanna worry you, but I don't understand  
How you got me in the palm of your hand

You know, sometimes when I'm lonely, I come runnin' to you  
But lately baby we been fightin' oh, it ain't the right thing t  
o do  
You just take my heart, and you, you throw it away  
Oh, lately baby, i don't know what to say

Cos you got me, you got me in the palm of your hand  
Well, you got me, you got me in the palm of your hand  
Well, I don't wanna worry you, but I don't understand  
How you got me in the palm of your hand
