

Gypsy Queen

Chris Norman

Raven hair and auburn eyes
have you ever seen my gypsy queen
she's an angel in disguise
the sweetest girl I've ever seen
She's got her own kind of magic
she's got her own special way

There's a cold wind blows in the dead of night
when she looks at me and i hear her sigh
where do you go my gypsy queen
and I hear her voice as she starts to sing
with a haunting tune of a lover's ring
oh play that song my gypsy queen, yeah

In the distance far away
castles in the air
and in the shadows of the wood
I could see her there
And as I watched in the moonlight
I saw her dancing alone

There's a cold wind blows in the dead of night
when she looks at me and I hear her sigh
where do you go my gypsy queen
and I hear her voice as she starts to sing
with a haunting tune of a lover's ring
oh play that song my gypsy queen, yeah

She'll always be my gypsy queen
the only love of my dreams

There's a cold wind blows in the dead of night
when she looks at me and I hear her sigh
where do you go my gypsy queen
and I hear her voice as she starts to sing
with a haunting tune of a lover's ring
oh play that song my gypsy queen, yeah
