

# Heartaches

Chris Norman

Everyday I wait on the street 'til  
you're passing my way  
But baby you look right through me  
Just like you never knew me oh, oh

Walking along hoping that maybe  
I'll catch you alone  
I wish you were still my baby  
I miss you girl like crazy oh, oh

These old heartaches I carry around  
Like a suitcase that's weighing me down  
With all the no regrets  
I left behind me, baby  
These old heartaches  
the same old hurt  
With a new face but I never learn  
And how was I to know you'd  
leave me crying, baby

Playing the game only  
a fool like me to blame  
The foolish things that I'd do  
I didn't mean to hurt you, oh, oh

And so many nights I couldn't tell  
The wrongs from the rights  
'Til baby you caught me lying  
There's no use my denying

These old heartaches I carry around  
Like a suitcase that's weighing me down  
With all the no regrets  
I left behind me, baby  
These old heartaches  
the same old hurt  
With a new face but I never learn  
And how was I to know you'd  
leave me crying, baby

Heartaches, mistakes  
Baby you leave me crying  
Oh there can be no denying oh, oh
