

Hello Baby

Chris Norman

Hello baby how you doing
It's been so long since I saw you
And you're really looking good
Hope life's been treating you well

Hello baby how's it going
Come on tell me what you're knowing
Oh I'm so glad you're here
It's such a beautiful day

So shout it out loud, shout about love
Oh and the joy it brings
Like the birds and the bees and the flowers and the trees
And those kind of things
Yeah stand up and be proud, don't be afraid
Come on and take a chance
Like the first day of spring, like a bird on the wing
Like a new romance

Oh hello baby it's good to see you
Has it been another year
You havn't changed a bit
I'm glad you're looking so well

And I gotta say I'm glad you made it
Your beauty and your smile's unfaded
The good times here again
We're gonna have some fun

So shout it out loud, shout about love
Oh and the joy it brings
Like the birds and the bees and the flowers and the trees
And those kind of things
Yeah stand up and be proud, don't be afraid
Come on and take a chance
Like the first day of spring, like a bird on the wing
Like a new romance
La, la, la, la

So shout it out loud, shout about love
Oh and the joy it brings
Like the birds and the bees and the flowers and the trees
And those kind of things
Yeah stand up and be proud, don't be afraid
Come on and take a chance
Like the first day of spring, like a bird on the wing
Like a new romance

Oh, hello baby, hello baby,
Oh, hello baby, hello baby,
Yeah, hello baby ...
