

Hey Baby

Chris Norman

Hey baby, won't you come with me.
Hey baby, you're my destiny.
I want to love you constantly.
Hey baby, you're my number one.
Hey baby, where did you come from?
You know my love goes on and on.

Well, the first time I saw you
I knew that you knew
You would be mine.
I want to tell you, girl if you want to
I got the love and you got the time.

Hey baby, won't you take my hand.
Hey baby, tried to understand.
I always want to be your man.
Hey baby, ooh.

The first time I saw you
I knew that you knew
You would be mine.
I want to tell you, girl if you want to
I got the love and you got the time.

Hey baby, won't you come with me.
Hey baby, won't you walk with me.
I want to love you constantly.
Hey baby, hey baby.
The first time I saw you
I knew that you knew
You would be mine.
I want to tell you, girl if you want to
I got the love and you got the time.

Hey baby won't you understand.
Hey baby, come, take my hand.
I always want to be your man.
Hey baby, hey baby
You know my love goes on and on.
Hey baby, hey baby
I want to love you constantly.
Hey baby, hey baby
I always want to be your man.
Hey baby, hey baby
Hey baby, hey baby baby.
Hey baby, hey baby
Hey baby, hey baby baby.
