

Hot Love

Chris Norman

She got no makeup
She got hole in her shoes
She got a body
That she know how to use
She say no, no what you want
Got a shot of
Rhythm and blues

She tell me come on baby
Don't you know
I'm gonna make you crazy
I say monkey see monkey do
Wanna get inside of you now
Yeah, yeah
You got my train going
Choo, choo, choo

'Cos I'm feeling so hot I don't
Know what to do
Hot love, hot kissing
If you ain't tried it you don't know
What you're missing
Warm hands, hot loving
I try to find it 'cos I can't get
Enough and I know

Well, she got a way
To set my soul on fire
The way she love me takes me
Higher and higher
I say yeah, yeah it's alright
Gonna give you loving tonight
That's right
I like the things
That she do, do, do

And I'm feeling so hot I don't
Know what to do
Hot love, hot kissing
If you ain't tried it you don't
Know what you're missing
Warm hands, hot loving
I try to find it but I can't get
Enough and I know

You got my train going
Choo, choo, choo
'Cos I'm feeling so hot I don't
Know what to do
Hot love, hot kissing
If you ain't tried it you don't
Know what you're missing
Warm hands, hot loving
I try to find it but I can't get
Enough and I know
