

# If My Heart Is Not Enough

Chris Norman

Well I don't have much but what I got I'll give to you  
And all I got is my love to give  
Nothing else that I can do

I'd like to give you so much more  
Than a man could ever give  
Mmm, but the way things are you know  
It's how we got to live

Though my arms are reaching out to you  
And I give you all my heart  
There is nothing more that I can do  
To satisfy your love  
If my heart is not enough

In a perfect world I would spend my life with you  
You know I'd get you the sun and the moon  
It would be easier to do  
And I'd like to think there's no regrets  
For the time you spend with me  
Oh I know it could be better girl  
But that's how it's got to be

Though my arms are reaching out to you  
And I give you all my heart  
There is nothing more that I can do  
To satisfy your love  
If my heart is not enough

Well my arms are reaching out to you  
And I give you all my heart  
There is nothing more that I can do  
To satisfy your love  
If my heart is not enough

My heart is not enough  
If my heart is not enough
