

## Midnight Hour

Chris Norman

I'm gonna wait till the midnight hour  
That's when my love comes tumbling down  
I'm gonna wait till the midnight hour  
When there's no one else around

I'm gonna take you girl and hold you  
Do all the things I told you  
In the midnight hour  
Yes I am, oh yes I am

I'm gonna wait till the stars come out  
And see that twinkle in your eyes  
I'm gonna wait till the midnight hour  
That's when my love begins to shine

You're the only girl I know  
Who really thrills me so  
In the midnight hour  
Oh yeah  
In the midnight hour

I'm gonna wait till the midnight hour  
That's when my love comes tumbling down  
I'm gonna wait till the midnight hour  
When there's no one else around  
Just you and I, baby  
Just you and I

In the midnight hour
