

Midnight Hour

Chris Norman

I'm gonna wait till the midnight hour
That's when my love comes tumbling down
I'm gonna wait till the midnight hour
When there's no one else around

I'm gonna take you girl and hold you
Do all the things I told you
In the midnight hour
Yes I am, oh yes I am

I'm gonna wait till the stars come out
And see that twinkle in your eyes
I'm gonna wait till the midnight hour
That's when my love begins to shine

You're the only girl I know
Who really thrills me so
In the midnight hour
Oh yeah
In the midnight hour

I'm gonna wait till the midnight hour
That's when my love comes tumbling down
I'm gonna wait till the midnight hour
When there's no one else around
Just you and I, baby
Just you and I

In the midnight hour
