

# Morning Dew

Chris Norman

Walk me out in the morning dew, my honey  
Walk me out in the morning dew today  
Can't walk you out in the morning dew, my honey  
Can't walk you out in the morning dew at all

Thought I heard a young girl crying, mama  
Thought I heard a young girl cry today  
You didn't hear no young girl crying, mama  
You didn't hear no young girl cry at all

Thought I heard a young boy crying, mama  
Thought I heard a young boy cry today  
You didn't hear no young boy crying, mama  
You didn't hear no young boy cry at all

Now there's no more morning dew  
No, there's no more morning dew  
What they've been saying all these years ain't true  
What they've been saying all these years ain't true at all

Now there's no more morning dew, no  
No, there's no more morning dew  
What they've been saying all these years ain't true, no, no, no  
What they've been saying all these years ain't true

Walk me out in the morning dew  
Walk me out in the morning dew, walk me out, walk me out  
I can't walk you out in the morning dew, honey  
Can't walk you out in the morning dew at all
