No Arms Can Ever Hold You

Chris Norman

Baby frozen tears it was hard through the years I'll never give up never one of my dreams. Deep inside is my love still alive and God only knows that I can't let you go. When I'm in love it'll be for better I gave you my heart for ever and ever. No arms can ever hold you more than I do No man can ever love you no it's true. No arms can ever hold you more than I do You came to me from heaven airl it's true. And if I ever lose your love if I ever lose your heart Oh baby I'm dying for your love. Baby now I'm alone and I try to be strong But my baby I cry silent tears without pride. And I can't hold on to the feeling that's gone And there's nothing to lose 'cause I'm playing the fool. When I'm in love it'll be for better I gave you my he'art for ever and ever. No arms can ever hold you more than I do . .. And 1 ever lose your smile and if I ever lose your heart Everybody nee@ someone to love and I say: No arms can ever hold you more than I do
