

# Out In The Night

Chris Norman

I'm dreaming of you  
And I feel love coming on  
And baby I got no excuse  
Though we both know that it's wrong  
You know it's no use  
Yes I know

Out in the night  
Making love to you  
Two lovers lost in a moment of heat  
Out in the night  
Cheating hearts  
Every time that we meet oh, oh, oh  
Out in the night oh, oh, oh  
Out in the night

Hiding away  
In shadows when we're all alone  
Oh baby the things that you do  
You know that I'm not made of stone  
And I'm dying for you  
And I know

Out in the night  
Making love to you  
Two lovers lost in a moment of heat  
Out in the night  
Cheating hearts  
Every time that we meet oh, oh, oh  
Out in the night oh, oh, oh  
Out in the night

Out in the night  
Making love to you  
Two lovers lost in a moment of heat  
Out in the night  
Cheating hearts  
Every time that we meet oh, oh, oh  
Out in the night oh, oh, oh  
Out in the night ...
