

Stay One More Night

Chris Norman

All the words of love and passion
Never really mean a thing
When freedom is callin'
Cos the times are changing
Sometimes all the good goes wrong
And tears are fallin'

I won't ever tell you lies
You will find the truth behind my eyes

Stay one more night
Let me hold you so tight
Baby stay another night with me
And put your arms around me tenderly

Don't wanna hurt you baby
Don't know what tomorrow brings
Nothing's forever
Don't you trust a broken feeling
Lay your body next to mine
Oh baby I miss you

I won't ever tell you lies
You will find the truth behind my eyes

Stay one more night
Let me hold you so tight
Baby stay another night with me
And put your arms around me tenderly

Please put your arms around me tenderly
Uuuh

Oh yeah stay one more night
Let me hold you so tight
Baby stay another night with me
And put your arms around me tenderly

Yeah want you stay with me baby
Oh I hold you for ever and ever
